

THE ADSTOCK SCIENCE CLUB

The Adstock Science Club invites you to its first Public Lecture on

Tuesday 11th September 2012
at 07:30pm
in the Adstock Village Hall

Brain Science in the Real World

Dr Ellie Dommett.

Dr Dommett currently lectures in Brain and Behavioural Sciences for the Faculty of Science at The Open University in Milton Keynes, and has a degree in Psychology from Sheffield University as well as an MSc and a doctorate in Neuroscience.

This fascinating talk will look at some of the latest research into neuroscience and how this offers an insight into human behavior and its impact on different stages of our lives through education, Law and medical treatments.

Dr. Dommett hopes to bring with her some sample brains for a more hands on presentation.

This lecture may be of particular interest to teachers and those people who have to live or work with teenagers or the elderly.

Admission £2 per person. Tickets available from 1, Greenfields
